Qualifying  
Systems Only

## Benefits of a **PREFERRED SERIES AIR CONDITIONER**

### **Increased energy savings**

Two-stage scroll compressor (model 127T) increases efficiency and produces up to 17.0 SEER2 (Seasonal Energy Efficiency Ratio) and up to a 13.5 EER2 (Energy Efficiency Ratio).

### **Quiet operation**

Smooth-running compressor provides naturally quiet operation. Two-stage model runs on low stage for longer periods of time to further reduce sound.

### **Smart thermostat capable**

Enjoy energy savings, remote access capability and in-depth energy with ecobee for Bryant Smart Thermostats.<sup>1</sup>

### **Innovative technology**

Bryant welded aluminum coil technology delivers enhanced corrosion resistance and improved energy efficiency.

### **Built to last**

Bryant DuraGuard™ protection package provides lasting durability against weather and more.

### **ENERGY STAR® on qualifying systems**

You may save energy and qualify for local utility rebates where available.

### **Low or no-interest financing**

The enhanced comfort and energy savings of our Preferred Series air conditioners is easier to afford than ever.<sup>1</sup>

### **Rest easy with a long warranty**

Preferred Series air conditioners offer a 10-year parts limited warranty upon timely registration.<sup>2</sup>

# Excellent comfort **WHATEVER** the heat outside.

## featured TECHNOLOGIES

Complete Preferred system air conditioners feature these exclusive advancements.

### "Smart" Technology

An ecobee for Bryant Thermostat can maximize your comfort and savings by learning your family's schedule, using local weather information and analyzing your home's heating and cooling patterns.<sup>3</sup>

### DuraGuard Plus™ Protection

The Bryant DuraGuard Plus protection package provides lasting durability against weather and more with galvanized steel cabinets, baked-on powder paint and louvered coil guards.

### Two-Stage Operation

Two-stage operation (model 127T) offers a number of benefits. Enjoy reduced energy consumption, more consistent indoor temperatures, quieter operation and better humidity management.

### Welded Aluminum Coil Technology

Bryant welded aluminum coil technology is a first for residential outdoor products. It provides enhanced corrosion resistance while delivering improved energy efficiency.

## Gain more control with a complete **PREFERRED SYSTEM**

Ask your Bryant dealer about how you can maximize your home comfort system with additional Bryant products.

### ecobee for Bryant THERMOSTAT

Achieve greater efficiency and whole-home comfort with this Wi-Fi® smart thermostat.

### PREFERRED FURNACE

Properly matched with your air conditioner to convert heating and cooling energy into greater indoor comfort.

### FAN COIL

Works with your outdoor heat pump to convert heating and cooling energy and deliver more comfortable air to your home.

### EVAPORATOR COIL

Matches to the proper outdoor unit to provide top cooling efficiency and years of reliable service.

### AIR PURIFIER

Our patented Captures and Kills® technology treats 100% of the air flowing through your system.<sup>4</sup>

### HUMIDIFIER

Alleviates dry air by adding moisture.

### VENTILATOR

Transfers heating and cooling energy to the incoming fresh air.

1. For qualified buyers. See dealer for details.

2. The limited warranty period is five years on parts if not registered within 90 days. Jurisdictions where warranty benefits are not conditioned on registration will automatically receive a 10-year parts limited warranty. See warranty certificate at Bryant.com for complete details and restrictions.

3. When connected to the Internet through a Wi-Fi® network.

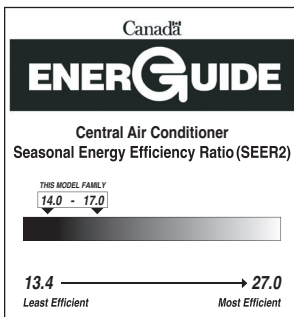

4. Based on third-party testing (2012) showing 95% of particles size 1.0 to 3.0 microns captured. Based on third-party testing (2012, 2007) showing > 99% kill rate for common cold surrogate, Streptococcus pyogenes and human influenza.

# BRYANT COOLING SOLUTIONS

There is a Bryant product for almost any heating and cooling need or budget.

Only your Bryant dealer can help you decide which is right for you.
